

Henkels & McCoy: Real Value Where It Counts

A Leader in the Field

Henkels & McCoy has more than half a century of experience
in the fields of pipeline integrity and corrosion control.

Pipeline Integrity Services

Engineering Services

- Pipeline Locating / GPS Surveys
- Close Interval Potential Surveys
- DCVG / ACVG Surveys
- Current Attenuation Surveys
- Cell-to-Cell Surveys
- Soil Resistivity Surveys
- Field Data Interpretation

Direct Assessment / Pipeline Excavation

- Anomaly Investigation
- Pipeline / Coating Inspection
- Soil Analysis
- Control Excavations

Remediation

- Cathodic Protection Upgrades
- Re-coating
- Pipeline Replacement

Corrosion Control Services

Engineering Services

- Design of Corrosion Control Systems
- Corrosion Surveys / Monitor Existing Systems
- Close Interval Potential / DCVG / GPS Surveys
- Stray Current Evaluations
- Audit of Corrosion Control Programs
- Engineering Inspection of Cathodic Protection
- Leak Surveys for Gas Utilities

Construction and Installation Services

- Installation of Corrosion Control Systems / Devices
- Maintenance of Existing Corrosion Control Systems
- Construction Management

Special Corrosion Engineering Studies

- External Corrosion Direct Assessment Testing
- Rail-to-Earth Resistance Testing
- Rapid Transit Effects
- HVDC Transmission Investigations
- HVAC Induction Analysis
- Material Failure Analysis

Corrosion Training Services

- Classroom Instruction
- Hands-On Field Training

SERVING THESE MARKETS

PERFORMANCE has built our business...®

Henkels & McCoy at a Glance...

Henkels & McCoy is one of the largest privately held engineering and construction firms serving the power, oil & gas pipeline, gas distribution, and communications markets. We have more than fifty offices strategically located from New England to Hawaii.

Focus on Project Management

Henkels & McCoy's formalized Project Management Program represents a company-wide commitment to excellence. Formal and online training focuses on a variety of skill sets including job tracking, cost management, leadership, client management, and communications skills. Our customers realize the benefits of our efforts through improved efficiency and reduced costs relative to scheduling, material management, self-inspection, reduction of administrative expense through electronic communications, and sophisticated tracking mechanisms.

Commitment to Safety

Safety is a value at Henkels & McCoy and represents a commitment to protect our employees, customers, and the public. Based on this philosophy, we have created a corporate safety program that is well known throughout the industry and assures that our safety performance results from continual evaluation and implementation of company and industry-wide best practices. In addition to our own initiatives, we will continue to uphold the standards and procedures adopted by our customer.

Our systematic approach to safety has received recognition from the National Utility Contractors Association, Pipe Line Contractors Association, Mechanical Contractors Association of America, Texas Safety Association, and Liberty Mutual Insurance Company.
